# TRAINING TOMORROW'S HEALTH POLICY LEADERS

# CERTIFICATE IN HEALTH POLICY PROGRAM

## ABOUT THE PROGRAM

The Center for Health Policy at Meharry Medical College is committed to developing the next generation of leaders in health policy.

The Certificate in Health Policy is designed to provide a foundational framework in the field of health policy through in-depth analysis of topics related to public health law, health economics, health equity, social determinants of health and health disparities.

This graduate level academic program integrates seminars, research activities, workshops and networking opportunities to provide a comprehensive and engaging experience that positions students for advanced mastery.

Working professionals will also find the evening classes ideal and utilize the Certificate in Health Policy as a tool for professional advancement.
