

Whistle Blower Notification

Meharry Medical College (MMC) works diligently to maintain the highest standards for its Intuitional Biosafety Program. The administration of MMC and the IBC are committed to meeting or surpassing all applicable

government guidelines and regulations ensuring a safe environment for individuals working with biohazardous materials and to ensure the protection of the community and environment by preventing exposure to biohazardous materials.

The IBC is committed to complying with and surpassing all applicable guidelines and regulations in both actual and perceptual sense. This applies whether teaching, testing, and research are involved.

If you or anyone in your laboratory suspect that biohazardous materials abuse or misuse has occurred at MMC, please notify one of the following immediately!

- ANONYMOUS EMAIL IBC@MMC.EDU
- EMAIL THE CHAIRPERSONS, BSONG@MMC.EDU OR ARAMESH@MMC.EDU

OR CALL 615-327- 6599

MMC will not tolerate retaliation toward or harassment of, employees or students who report actual or possible violations. All reports of animal abuse will be treated confidentially, and appropriate actions will be taken to rectify the problem.
