"Estimated" Budgets for Financial Aid - EdD_Healthcare Leadership_PhD
2025-26 Academic Year

The following budgets embody what the Office of Financial Aid deems as reasonable costs associated with attending Meharry Medical College's School of Graduate Studies. We anticipate that most students will live within the budget amounts set forth. However, those with extenuating circumstances will be considered on a case-by-case basis for a possible cost of attendance increase. Documentation must be submitted and approved before a budget increase.
