"Estimated" Budgets for the International Dental Program

2025-26 Academic Year

The following budget embodies what the Office of Financial Aid deems as reasonable costs associated with attending Meharry Medical College's School of Dentistry-International Program. We anticipate that most students will live within the budget amounts set forth. However, those with extenuating circumstances will be considered on a case-by-case basis for a possible cost of attendance increase. Documentation must be submitted and approved before a budget increase.
